

CROCKER LTD

Selected Projects

Construction projects involving the stabilization of historic structures performed in compliance with the Secretary of Interior's Standards for the Treatment of Historic Properties:

2009. **Fort Stanton Administration/Museum Building Renovation**, Fort Stanton, NM. Complete restoration, in strict accordance with State of New Mexico and National Parks Historic Preservation Guidelines, of a historically significant building, built in 1855 and on the National Historic Register.

2007-2009. **Marsh Ranch**, Watrous, NM. Stabilization, rehabilitation, and mechanical/plumbing upgrade of a complex of 22 historic brick and adobe buildings on a working ranch in northern New Mexico.

2007-2008. **Andy's La Fiesta**, Ranchos de Taos, NM. Structural stabilization, moisture remediation, and roof replacement for a former dance hall/saloon, one of the original structures on the Ranchos de Taos Plaza.

2008. **Zia Diner**, Santa Fe, NM. Stabilization of severely damaged adobe south wall bases; stabilization and reconstruction of historic façade; and replication of historic Portland-based pebble-dash plaster at a National Register site built in 1925.

2007. **Pitchfork Ranch**, near Meeteetse, WY. Prepare structural assessment and treatment strategy for stabilization and restoration of historic Otto Franc House. Perform phase one stabilization.

2006-2007. **Gutiérrez-Hubbell House**, Albuquerque, NM. Rehabilitation of 5,700 square foot, 150-year-old adobe hacienda, plus construction of a new restroom facility. Listed on the New Mexico State Register of Cultural Properties and designated a Save America's Treasures project. *Recipient of a 2009 National Trust for Historic Preservation Honor Award and a 2008 New Mexico Heritage Preservation Award for Architectural Heritage.*

2006-2007. **Costilla County Courthouse**, San Luis, CO. Exterior reconstruction and restoration and drainage design/installation of adobe and stone courthouse constructed 1853.

2006-2007. **Baca County Courthouse**, Springfield, CO. Roof renovation on historic Colorado courthouse.

2006. **Doodlets Gift Shop**, Santa Fe, NM. Underpin foundation, provide structural stabilization and adobe repair for multistory adobe hotel built in 1870. Provide archeological services when artifacts were discovered during excavation.

2006. **Privately owned historic adobe complex**, Bernalillo, NM. Underpin foundation using adobe baskets and helical piers, repair adobe walls and restore interior and exterior finishes for a historic adobe hacienda.

2005. **Hubbell Trading Post** National Historic Site, Ganado, AZ. Stabilization, archeological monitoring, and drainage system installation at historic stone hogan.

2005. **Governor Dempsey House**, Circle Drive, Santa Fe, NM. Structural stabilization and repair of adobe walls using adobe cages.

2005. **The Marfa Hotel**, Marfa, TX. Stabilization and restoration of historic two-story adobe.

2005. **The Oppenheimer House**, Los Alamos, NM. Stabilization and repointing of home used by Dr. J. Robert Oppenheimer during the Manhattan Project.

2004. **Palace of the Governors** National Historic Landmark, Santa Fe, NM. Stabilization and restoration of north adobe wall and stone footings; viga splice/repair; design and apply colored earthen plasters to highlight select features as an interpretive tool.

2004. **Canyon Road residence**, Santa Fe, NM. Replace/splice failed vigas, replace ceiling decking, and adobe wall repair of State Historic Register home dating to 1920s.

2004. **Digneo Moore House**, Santa Fe, NM. Exterior restoration of New Mexico State Historic Register property, including quoin reconstruction and repair.

2003-2004. **The Christmas Morning Ranch**, La Liendre, NM. Restoration of ledge stone chapel and outbuildings including re-chinking and repointing with mud mortar.

2003. **Las Barrancas**, Jacona, NM. Stabilization of early 20th century double-wythe structure on shallow rubble and mud foundation.

2002. **Shakespeare's Globe Theatre**, London, England. Specialty contractor for remedial treatment of lime plasters.

2002. **Historic hacienda**, Cedar Crest, NM. Structural underpinning and adobe wall repair of historic home dating back to 1920s.

2001. **Zia Diner**, Santa Fe, NM. Stabilization of severely damaged adobe north wall bases and replication of historic Portland-based pebble-dash plaster at National Register site built in 1925.

2001. **Seco Plaza Complex**, Arroyo Seco, NM. Stabilization of historic two-story, single-wythe adobe structure on rubble foundation.

2000. **Barclay Ranch**, Cerrillos, NM. Stabilization and repointing of 19th or early 20th century stone ranch house.

2000. **Los Luceros Hacienda**, Alcade, NM. Specialty contractor and consultant for restoration of early 19th century adobe hacienda.

2000. **69 Ranch**, Buena Vista, NM. Restoration of adobe barn, blacksmith shop, and outbuildings in ranch built in 1880.

1999-2000. **J.J. Hagerman Estate**, Carlsbad, NM. Restoration of historic property dating to 1890s. Included repointing of soft-fired brick masonry.

1998. **Diamond A Ranch**, Picacho, NM. Restoration and stabilization of 1850s farmhouse and conversion of wing of main house into guest wing.

Further experience in compliance with strict preservation standards:

2000. **Leaden Hall School**, Cathedral Close, Salisbury, England. Crocker Ltd was awarded a contract to underpin buildings at a Roman-era site because we were the only contractor to submit a plan that complied with English Heritage specifications, which forbade the use of Portland cement or disturbance of the subsurface.

1987-1988. **Santuario de Guadalupe**, Santa Fe, NM. While underpinning the bell tower and during excavation for a new substructure, some 70 burials were discovered in 200 square feet of the narthex. Crocker Ltd was certified by the City of Santa Fe, the State Historic Preservation Division, and the Archdiocese of Santa Fe to conduct archeological excavations to record and remove the remains, which were later re-interred.

These consulting projects further demonstrate our expertise in historic preservation:

2008. **Fort Lowell**, Tucson, AZ. Perform structural and materials assessment and treatment strategy for stabilization and restoration of 70-acre historic military facility.

2007-2008. **Hutmacher Farm**, near Kildeer, ND. Using technologies derived in the ancient Hopi village of Oraibi in Arizona, designed and implemented an earthen roof over thatch solution for a stone and earthen farm house built by Ukrainian-German immigrants in 1926.

2007-2008. **Gun Site**, Los Alamos National Laboratory, Los Alamos, NM. Prepare historic preservation assessment and recommendation report for Gun Site restoration project.

2007. **El Vado Motel**, City of Albuquerque, Albuquerque, NM. Structural and historic preservation consultant with regard to this historic Route 66 motel.

2006. **Canoa Ranch**, Pima County, Tucson, AZ. Prepare structural and materials assessment and treatment strategy for stabilization and restoration of numerous buildings at State of Arizona Registered Landmark (*ca.* 1860s).

2005-2006. **V-Site of the Manhattan Project**, Los Alamos National Laboratory, Los Alamos, NM. On-site preservation consultant for stabilization, preservation and restoration of historic materials at the V-Site Assembly Building, one of the few remaining Manhattan Project buildings. *Recipient of a 2007 New Mexico Heritage Preservation Award for Architectural Heritage and the 2008 National Trust/ Advisory Council on Historic Preservation Award for Federal Partnerships in Historic Preservation.*

2005-2006. **City of Tucson**, Tucson, AZ. Historic preservation expert witness in the case of Rollings vs. City of Tucson.

2004-2005. **San Cristóbal Mission**, Santa Fe County, NM. Assess standing ledgestone remains of early 17th century mission church; provide outline strategy for treatment for approval of compliance agencies and owner; document and stabilize using un-amended or lime-amended mud mortars.

2004. **CLM Farms**, Dell City, TX. Assessment, HABS drawings, and outline strategy for restoration of Figure 2 ranch house built in the 1920s.

2002. **The Albuquerque Museum**, Albuquerque, NM. Condition report, assessment, and outline strategy for treatment for Casa San Ysidro, Corrales, NM.

2001. **Coronado State Monument**, Bernalillo, NM. Condition report, assessment, and outline strategy for treatment of the Painted Kiva (*ca.* 1300).

2000-2001. **State of New Mexico Historic Preservation Division**, Santa Fe, NM. Consultant/contractor for the development and publishing of New Mexico Historic Resource Manual and Survey Forms.
